SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Washington, D. C. 20231

Applicants hereby submit a completed form PTO/SB/08A listing documents cited in an official communication received by the undersigned in connection with a counterpart foreign patent application. Copies of the listed documents and of the official communication are enclosed. The Examiner is requested to review these documents and to determine the extent of the materiality of the document disclosures, if any, with respect to the present invention.

No inference should be drawn that the attached list represents a comprehensive investigation or that any disclosures in the listed documents is equivalent to the subject invention. The discussion of any art and the citation of any documents herein is not to be construed as an admission that they are necessarily within the invention field of endeavor or prior in time to a particular date which may be relevant with respect to the instant application. Further, the recitation herein of the art and documents is not to be construed as an assertion that more pertinent art

could not possibly be in existence or that the newly cited documents are necessarily prior art as defined by the patent law.

Applicants reserve the right to later set forth how the claimed invention is distinguished over the disclosure of any document or other art, including the disclosures of the art and documents cited herein, and that may be cited by the Examiner in rejecting a claim in the instant patent application.

As a first Office action on the merits has not been mailed, no fees are believed to be due. However, this authority is hereby authorized to charge any deficiency or credit any overpayment in connection with this filing to Deposit Account No. 03-1677.

Respectfully submitted,
